Dalam Genggaman

WITH MOBILE POS ON THE GO

Kini dunia dalam genggaman anda, cek laporan laporan pembukuan detail monitoring usaha per cabang maupun global kini lebih mudah dengan multi pos.

BACKOFFICE SERVER

Pemegang databased dan all report detail masuk pada menu ini.

BRANCH CABANG

Pelaksana transaksi sesuai dengan input cabang cabang dengan split based per cabang - all data di tarik masuk ke pusat office.

The screenshot displays a backoffice admin server interface. On the left is a dark sidebar with navigation options: 'Hello.. HC Admin', 'me', 'Reports', 'Create Report', 'Check in Store', 'Create Area', 'Edit Area', 'Inventory Log', and 'Print Mail'. The main content area features a grid of six blue cards, each representing a store. Each card contains a 'Multi Outlet' icon, the store name, and the text 'Outlet Shop Store'. The stores are: HC Kalimantan, HC Makassar, HC Medan, HC Papua, HC Sidoarjo, and HC Surabaya. A red horizontal bar is visible at the top right of the main area, and a yellow diagonal bar is on the right side. A large yellow circle and a pink diagonal bar are overlaid on the bottom left corner of the image.
